

ERGOFUNCTION 20

Product Number

EF-KT-20

The ErgoFunction 20™ is an excellent choice for the small home office. This platform is durable and comes with a Gel Palm Rest. The ErgoFunction 20 is 20" in width and is made from a sturdy ¼" black Phenolic. The clip-on FunctionFlyover mouse platform works well with the ErgoFunction 20 to provide a convenient mouse extension.
